Regular dues are payable quarterly upon receipt of invoice.**

WHAT IS NOW EXPECTED OF YOU?

The Fraser Valley Executives Association provides a regular meeting place for executives of businesses headquartered in Surrey, Delta, Langley, and that area described as the Lower Fraser Valley.

Since it is an Association of Executives, it is expected that members will act like executives in department, dependability and any and all business dealings. It is important that members attend the regular luncheons and use their executive prerogatives to prevent others from superimposing their time schedules on top of yours, thereby preventing your attendance.

In Associations of this nature it has been proven that those members with the most regular attendance derive the most business and benefits from the Association. You will be expected to take the Program at one meeting per year and use it to tell the membership about your business and how we can help you. This is called a "Category Talk" which you may give yourself or have someone else from your company do it for you.

You will be expected to do your best to get to know your fellow members and the businesses they represent. Then, to keep eyes and ears open to any intelligence which you can pass on to them which would help them in their business.

You are not REQUIRED to do business with fellow member companies, BUT it is hoped that you will give them a chance to bid.

In dealings with fellow members you will be expected to give personal attention to their requirements, and unconditional guarantees as to product, service and workmanship. Many of our members have a company policy that "Association members get PAID FIRST!"

Your Association has a limited number of Social events per year which you are also expected to support to the best of your ability.

You are expected to build new friendships and to help the Association to grow by suggesting membership to your own business acquaintances in non-conflicting categories.

In short...We want you to help all of us... and all of us want to help you!
